

APCTCC7 Special Issue of the *Australian Journal of Chemistry*

The *Australian Journal of Chemistry* will publish a dedicated issue to commemorate the APATCC7 Conference. The special issue will feature contributions from a selection of conference speakers from around the Asia Pacific regions. On behalf of the Journal, I would like to invite you to submit a paper, which can be a full paper, a communication, a short review, or a highlight. The paper does not have to cover the material presented at APCTCC7. The deadline for submission on the *Aust. J. Chem.* website (Osprey) is 31st March, 2016. While all such papers will be considered as invited, they will be reviewed in the usual way. Please indicate your intention to submit a paper by sending email to chmwmw@nus.edu.sg.

With best regards, and looking forward to receiving your paper.

Prof. Richard M.W. Wong
Associate Editor, *Aust. J. Chem.*
National University of Singapore
